Carlton Henderson Award

This award is given in honor of long-time advocate, friend, supporter, and statesman, V. Carlton Henderson. Mr. Henderson was born on January 5, 1910, and died on February 21, 1995. He helped guide the College through changes which transformed the College from a small independent pharmacy college into one of the nation's premier colleges of pharmacy. He was awarded an honorary Doctor of Science degree in 1972. The Carlton Henderson Award is presented to an individual, not necessarily a pharmacist nor a Mercer alumnus/alumna, who has contributed to the reputation and enhancement of the profession of pharmacy and/or the pharmaceutical and allied industries in the State of Georgia.
