---

## External Scholarship Opportunities

Mercer University College of Pharmacy students are strongly encouraged to apply for scholarships awarded by external entities. The Office of Student Affairs notifies students of various scholarship opportunities, application requirements and deadlines. The list of external scholarships below is not all inclusive, and students are encouraged to seek other scholarship opportunities.

The **Tylenol Future Care Scholarship** is awarded by McNeil, the makers of Tylenol, to well deserving students pursuing a career in healthcare. Additional information about this scholarship can be found [here](#).

The **American Pharmacists Association Foundation Student Scholarship Program** recognizes students who choose to invest in their school's APhA-Academy of Student Pharmacists (APhA-ASP) chapter while shaping the future of pharmacy. This award is given to a second, third, or fourth-professional year student. Applicants must be an active member of the APhA-ASP located in the United States and Puerto Rico. Additional information about this scholarship can be found [here](#).

The **Express Scripts Scholars** award recognizes students enrolled in a dual degree programs. Additional consideration may be given to low-socioeconomic status students as well as students who are underrepresented minorities. Additional information about this scholarship can be found [here](#).

The **American Society of Health System Pharmacists Student Leadership Award Program** recognizes students who represent the best attributes and accomplishments of the ASHP student. This award is given to second, third, or fourth-professional year students. In addition to other criteria, applicants must be an active member of ASHP in good standing. Additional information about this scholarship can be found [here](#).

The **CVS Health Minority Scholarship for Pharmacy Students** recognizes outstanding underrepresented minority students accepted into a Doctor of Pharmacy program OR are currently enrolled in their first professional year of a Doctor of Pharmacy program. Awardees must demonstrate leadership, academic success and a commitment to advancing the profession of pharmacy and patient care. Additional information about this scholarship can be found [here](#).
